Konch, Dist.Jalaun, Orai (uttar Pradesh)

## PROFILE

I'm 3rd-year B.Tech student at Technocrats Institute of Technology, passionate about full-stack development, coding, and the exciting world of Web3. I'm a two-star coder on CodeChef, mastering languages like C++, Java, and web tech including HTML, CSS, JavaScript. I excel in MERN stack - MongoDB, Express.js, React.js, Node.js - and I'm intrigued by blockchain, Solidity, and Web3.

## TECHNICAL SKILLS

### Programming Skills

- Java (Domain)
- Python (Basic)
- C++ (Basic)
- DSA, OOPS

### Web Skills

- HTML, CSS, JavaScript
- React, NodeJS
- MySQL, Oracle

## EDUCATION

SECONDARY SCHOOL ALLAHABAD  
BOARD (U.P.) 2016 - 2020

BACHELOR OF TECHNOLOGY RGPV  
UNIVERSITY, BHOPAL 2021 - 2025  
B.Tech. (CSE-AIML) - 7.73 CGPA

## INTEREST

- Artificial Intelligence
- Object Oriented Programming
- Machine Learning

## LANGUAGE

- English
- Hindi

## CERTIFICATIONS

- Certified in Java provided by HackerRank
- Certified in Machine Learning provided by Internshala
- Certified in HTML, CSS and JavaScript provided by Coursera
- Certified in IBM Cloud and Data Science
- Lumenore Fundamentals of BI & Analytics
- Certified in Problem Solving Skills provided by HackerRank
- Nodal Yoga
- Lumenore Fundamentals of BI & Analytics
- SAP Virtual Internship

## PROJECTS

- **Weather App**
  - Weather App Designed to provide users with real-time weather information and forecasts
- **Yum Express**
  - Implemented a comprehensive Online Food Management and Delivery System leveraging Java SE and Oracle 11g technologies. Integrated SMS API for OTP confirmation and utilized Gmail for tracking delivery personnel.
- **Mouzikka**
  - Developed a music player application, "Mouzikka," featuring controls for seamless interaction with the player including pausing/stopping music, volume adjustment, and managing playlists. Integrated Python libraries pygame and mutagen to enhance functionality and user experience.

## TECHNICAL EXPOSURE

- 5 Star Coder in C++ on Hackerrank
- Solved 469+ problems on Geeks for Geeks
- Maintained a streak of 225+ days on Geeks for Geeks
- Solved 651+ Problem on LeetCode
- Maintained Streak of 260+ days on LeetCode
- Achieved Multiple Badges for consistency & Problem Solving on LeetCode
- Achieved 3rd star coder on Codechef.
- Solved 1000+ Problem on Coding Ninjas
- Achieved 311 Rank in National level Coding World cup organized by Logitech
- Achieved 2nd Position in Nodal Yoga Competition
